

Each folder has the sheet music, vocal reference from the 2012 cast album, and an instrumental track.

**Sheet Music** : Marked for intro, start and stop. Please MEMORIZE so that your hands are free and you can ACT during the vocal audition.

**Vocal Reference** : This is a tool to help you learn the notes and how to sing along with the instrumental. Feel free to make it your own, this is just a reference.

**Instrumental Track** : These are not the show tracks that we will be using, they are pulled from the internet for audition purposes only. They suck! Don't worry about that, just focus on how you sound and how you are ACTING through song. The same track will be used at the audition, you do not need to bring it, we will have it ready.

If you have any questions regarding the **vocal audition portion** of the audition please email me:

[MusicDirectorSC@gmail.com](mailto:MusicDirectorSC@gmail.com)

I will answer questions about the **vocal auditions only**, any other questions please direct to the general inquiry.

Don't be nervous! We want you to be amazing and we will be there to encourage and support you.
