# Weekend of Workshops

CURRENTS OF CREATIVITY '24

SUNDAY EVENING 6:45 - 9:45

Our Weekend of Workshops will conclude on Sunday evening with a Show and Tell!

Participants from each workshop gather to share their work onstage at May River Theatre. Models display costumes created in the costume workshop, improvisers perform spontaneously, and auditionees present their pieces.

The stage is illuminated by the lighting design workshop participants, setting the scene for an evening of talent and collaboration. It is a culmination of hard work and dedication, where each participant has the opportunity to shine and celebrate their achievements before an invited audience of friends and family.
